

## Plate 46

Designer Luca Nichetto

Featuring an original and unmistakable style, Plate is a chair collection that combines refined technical design with traditionally crafted finishes. In fact, its striking lines, with a dynamic racing car look, are enhanced with coloured stitching that contrasts with its upholstery. The legs, in die-cast aluminium, add an attractive feeling of lightness.

### Leg finish:

- Polished aluminium
- Aluminium with white lacquer
- Aluminium with black lacquer

### Finish of cover:

- DIVINA MELANGE 2 (Kvadrat®) fabric
- SCUBA (Kvadrat®) fabric
- EXTREMA/AU (Flukso®) synthetic leather

**!** Important: stitching is usually the same colour as the upholstery. For contrasting stitching, please specify the colour of the yarn when ordering (whether white, black or red is required).

**📏** Before accepting an order using the "Customer's fabric", Kristalia requests a sample of the fabric in order to assess feasibility (the sample must measure at least 30x30 cm). The amounts specified are for fabrics with a minimum width of 140 cm. For fabrics of a shorter width, please ask for the number of metres required.

## Plate 50 on castors

Designer Luca Nichetto

Plate is a swivel chair for the office and for the contract furnishing sector, featuring guaranteed comfort and unmistakable style. Its upholstery, available in fabric or synthetic leather in different colours, has stitching in contrasting colours, which highlights the contours of the chair and adds a touch of fine craftsmanship. The seat, with gas-lift adjustment system, is connected to the structure by its thermoformed column with castors, in aluminium with polished finish or in white or black lacquer.

### Metal finish:

Polished aluminium  
Aluminium with white lacquer  
Aluminium with black lacquer

### Cone finish below seat:

Black or white plastic
