DESCRIPTION

SO TEN YEARS AFTER ITS DEBUT, THE ANDY SOFA BY PAOLO PIVA, WHICH BECAME A CLASSIC IN THE NEW MILLENNIUM, APPEARS IN NEW SIZES - WITHOUT AFFECTING ITS ABILITY TO TRANSFORM FROM A SOFA INTO A CHAISE-LONGUE. IT NOW OFFERS FOUR DEPTHS, DEPENDING ON THE TILT OF THE BACK AND THE EXTENSION OF THE SEATS. FROM AN AESTHETIC POINT OF VIEW IT HAS A SOFTER LOOK AND A MODIFIED BASE IN GLOSSY OR BLACK CHROME-PLATED TUBULAR STEEL. THE SOFA IS COMPLETED BY A NEW TERMINAL ELEMENT THAT ADDS FLEXIBILITY TO THE CONFIGURATION. IT IS IMPORTANT TO EMPHASISE THAT ITS VERSATILE SHAPE (EXTENSION + FLAT SEAT) ALLOWS ANDY '13 TO TRANSFORM INTO AN EXTREMELY COMFORTABLE BED WITH A DEPTH OF 93 CM, MADE POSSIBLE SIMPLY BY RAISING THE BACK. SHIFTING THE SEAT, TOO, EXTENDS THE DEPTH TO 114 CM. ADDITIONAL COMFORT IS PROVIDED BY NEW CUSHIONS WITH A BACK ROLLER THAT ACTS AS HEADREST OR LOINREST.
