pricelist - euro

Opbouw

Het L260 programma bestaat uit basis-, en stapelrompen. De rompen kunnen worden voorzien van sluitzijden, kappen en plinten, (constructie)planken, deuren, lade, kleppen en separaties. De basisromp wordt op de vloer geplaatst. Wanneer de kast hoger is dan 144 cm wordt een stapelromp op een basisromp geplaatst. Stapelrompen worden op 105 of 137 cm hoge basisrompen geplaatst. Gestapelde rompen dienen dezelfde breedte en diepte te hebben. Rompen worden in de breedte direct of middels een koppelszijde gekoppeld. Bij directe koppeling van rompen kan gekozen worden voor een doorlopende kap of kappen op rompbreedte. Bij koppeling middels koppelszijde kunnen alleen kappen op rompbreedte worden toegepast.

Afwerking

Rompen/interieur	: basislak
Ombouw	: basis- /glanslak, kersen-, noten-, of eikenfineer
Fronten	: basis- /glanslak, kersen-, noten-, of eikenfineer

In de "gloss" combinatie prijzen zijn alle onderdelen die in glanslak mogelijk zijn als glanslak berekend. Ral / Sikkens kleuren en de matlak afwerking zijn op aanvraag.

Composizione

Il programma L-260 è costituito da scocche di base e scocche sovrapponibili. Le scocche possono essere attrezzate con fianchi laterali, top, zoccoli, ripiani, ripiani fissi, ante, cassetti, ribalte e divisori. Le scocche di base vengono posizionate a terra. Le scocche sovrapponibili vengono posizionate su scocche di base con altezza di 105 o 137 cm. Le scocche sovrapponibili devono avere la stessa larghezza e la stessa profondità delle scocche di base. Le scocche vengono assemblate sia in larghezza, sia direttamente, come anche con l'aiuto di un fianco di connessione. Nel caso di un assemblaggio diretto, può essere scelto un top in pezzo unico oppure dei top con la stessa larghezza delle scocche.

Finitura

Scocche/interni	: laccato standard
Esterni	: laccato standard/ lucido, ciliegio o noce o rovere impiallacciati
Frontali	: laccato standard/ lucido, ciliegio o noce o rovere impiallacciati

Nei prezzi delle combinazioni "gloss" tutte le parti disponibili in ludico sono indicate come lucido opaco. I colori Ral / Sikkens ed i colori laccati opachi sono disponibili su richiesta.

Composition

Le L260 programma se compose de caissons de base et caissons superposés. Les caissons peuvent être pourvus de panneaux latéral, chaperonnes et plinthes, rayons, rayons de construction, portes, tiroirs, abbatants et séparations. Les caissons de base sont placés sur le sol. Si l'armoire est plus haute que 144 cm, il faudra placer les caissons superposés sur un caisson de base. Les caissons superposés sont placés sur des caissons de base de 105 ou 137 cm de haut. Les caissons superposés doivent avoir la même largeur et la même profondeur. Les caissons sont assemblés en largeur directement ou à l'aide d'un panneau d'assemblage. Dans le cas d'un assemblage direct, on peut choisir un chaperon en une seule pièce ou des chaperons de la largeur des caissons. En cas d'assemblage avec d'un panneau d'assemblage, on pourra seulement utiliser des chaperons de la largeur des caissons.

Finitions

Caissons/intérieur	: laque en basique
Structures	: laque en basique/ brillant, en placage en cerisier,

Front	: laque en basique/ brillant, en placage en cerisier, en noix ou en chêne
-------	---

Dans les prix des combinaisons "gloss" tous les éléments pouvant être en laque brillante ont été calculés comme tel. Les couleurs Ral / Sikkens et le vernis de finition mat sont disponibles sur demande.

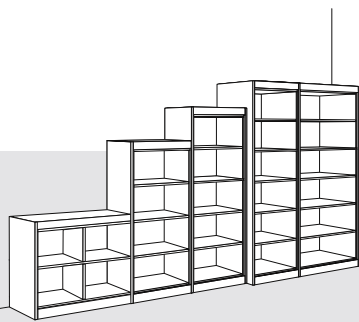

Set-up

The L260 program consists of base modules and stacking modules. The modules can be fitted with closing sides, tops and plinths, shelves/fixed shelves, doors, drawers, flaps and dividers. Base modules are placed on the floor. If the cabinet is taller than 144.3 cm stacking modules are placed on 105.1 and 137.1 cm high base modules. Stacking modules should have the same width and depth as the base modules. Modules are connected breadth wise either directly or by means of a connecting side. With a direct connection, you can opt for a continuous top or for tops the width of each module. When assembling using a connecting side, tops may only be applied on the width of the module.

Finishing

Module/interior : basic lacquer
Casing : basic/ gloss lacquer, cherry, walnut or oak veneer
Fronts : basic/ gloss lacquer, cherry, walnut or oak veneer

For the "gloss" combination prices, all parts available in gloss lacquer have been priced accordingly. Ral / Sikkens colours and the matt lacquer finish are available on request.

Opbouw

Het L360 programma bestaat uit staanders, kappen, bodems, constructieplanken, deuren en laden. Staanders worden verbonden door middel van een blad, bodem en constructieplanken. Hieraan kunnen achterpanelen en fronten worden toegevoegd. Er dient minimaal 1 achterpaneel in een raster toegepast te worden. Indien een raster meer dan 5 kolommen heeft, dienen er minimaal 2 achterpanelen toegepast te worden.

Afwerking

Staanders, bladen, bodems

en constructieplanken : basislak, kersen-, noten-, eikenfineer

Fronten : basislak, kersen-, noten-, eikenfineer

Achterpanelen : basislak, kersen-, noten-, eikenfineer

Ral / Sikkens kleuren en de glans- /matlak afwerking zijn op aanvraag.

Composition

Le L360 programme se compose de montants, chaperonnes, fonds, rayons de constructions, portes et tiroirs. Les montants sont reliés au moyen d'un chaperonnes, d'un fond et de rayons de construction. Cette combinaison peut être complétée par des panneau arrière, des portes et des tiroirs. Il faut utiliser au moins un panneau arrière dans un quadrillage. Si un quadrillage comporte plus de cinq colonnes, il faudra mettre au moins deux panneaux arrière.

Finitions

Montants, plateau, fond

et rayon de construction : laque en basique, en placage en cerisier, en noix ou en chêne

Fronts : laque en basique, en placage en cerisier, en noix ou en chêne

Panneau arrière : laque en basique, en placage en cerisier, en noix ou en chêne

Les couleurs Ral / Sikkens et le vernis de finition brillant / mat sont disponibles sur demande.

Composizione

Il programma L360 è costituito da montanti, top, scocche base, ripiani fissi, ante, e cassetti. I montanti sono uniti da un top, una base e dei ripiani fissi. Questa combinazione può essere completata con pannelli schienale, ante e cassetti. Ciascun elemento a giorno può contenere almeno 1 pannello schienale. Quando detto elemento ha più di 5 colonne, è necessario utilizzare 2 pannelli schienale.

Finitura

Montanti, top, scocche base

e ripiani fissi : laccato standard, ciliegio o noce o rovere impiallacciati

Frontali : laccato standard, ciliegio o noce o rovere impiallacciati

Pannelli schienale : laccato standard, ciliegio o noce o rovere impiallacciati

I colori Ral / Sikkens ed i colori laccati lucido / opachi sono disponibili su richiesta.

Set-up

The L360 program consists of standing units, tops, bases, fixed shelves, doors and drawers. Standing units are connected using a top, base and fixed shelves. This combination can be complemented with back panels, doors and drawers. Every raster should contain at least one backpanel. When a raster has more than 5 columns, two backpanels must be used.

Finishing

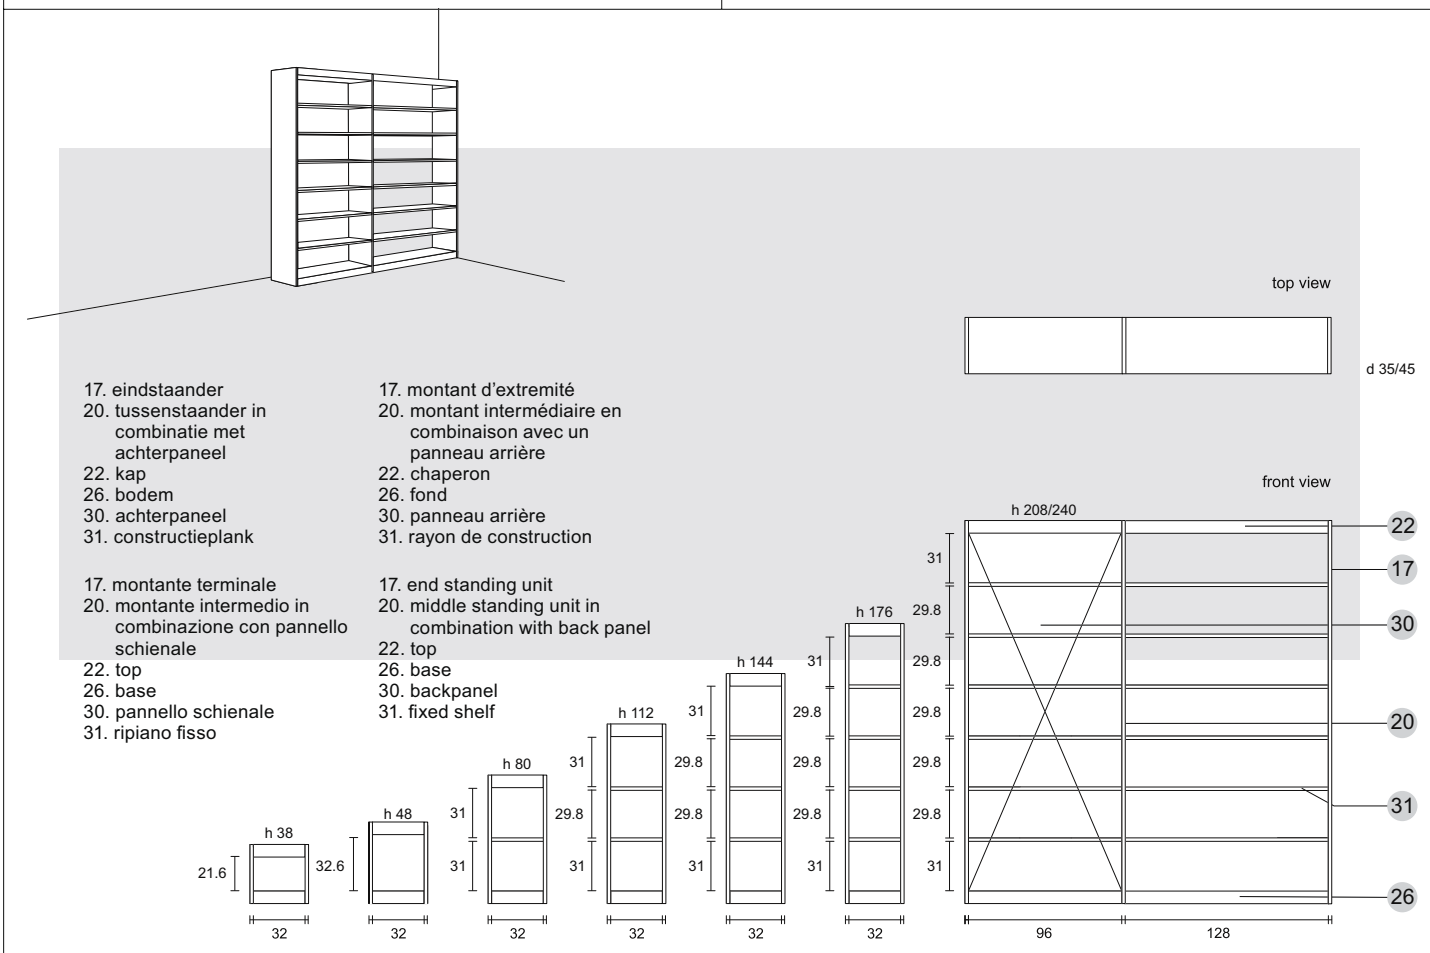

Standing units, tops, bases

and fixed shelves : basic lacquer, cherry, walnut or oak veneer

Fronts : basic lacquer, cherry, walnut or oak veneer

Back panels : basic lacquer, cherry, walnut or oak veneer

Ral / Sikkens colours and the gloss / matt lacquer finish are available on request.

L260/360

pricelist - euro

Opbouw

Het L260 programma kan worden gecombineerd met het L360 programma.
De L260 rompen kunnen tussen of naast L360 staanders geplaatst worden.
L260 rompen met doorlopende kap worden naast en/of onder L360 staanders geplaatst.

In de "gloss" combinatie prijzen zijn alle onderdelen die in glanslak mogelijk zijn als glanslak berekend. Ral / Sikkens kleuren en de matlak afwerking zijn op aanvraag.

Composition

Le programme L260 peut être combiné avec le programme L360. Les caissons L260 peuvent être placés entre ou à côté de montants L360. Les caissons L260 à chaperon en une seule pièce sont placés à côté et sous les montants L360.

Dans les prix des combinaisons "gloss" tous les éléments pouvant être en laque brillante ont été calculés comme tel. Les couleurs Ral / Sikkens et le vernis de finition mat sont disponibles sur demande.

Composizione

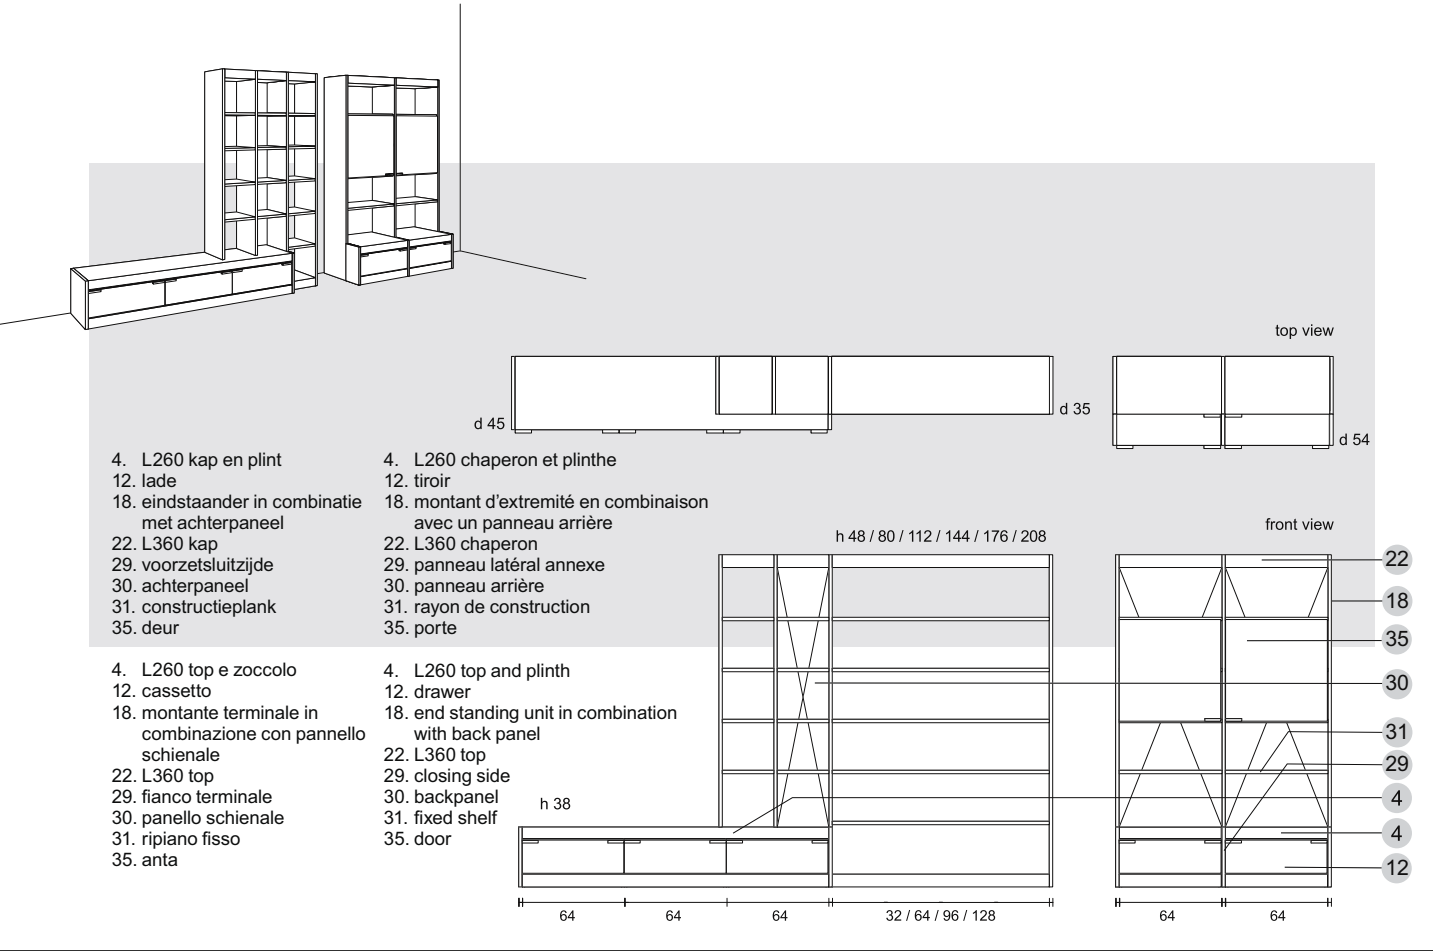

Il programma L260 può essere combinato con il programma L360. Le scocche L260 possono essere posizionate tra o a fianco dei montanti L360. Le scocche L260 con un top in pezzo unico possono essere posizionate a lato e sotto i montanti L360.

Nei prezzi delle combinazioni "gloss" tutte le parti disponibili in ludo sono indicate come lucido. I colori Ral / Sikkens ed i colori laccati opachi sono disponibili su richiesta.

Set-up

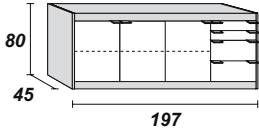

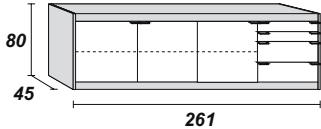

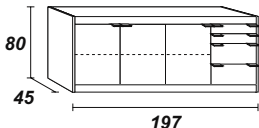

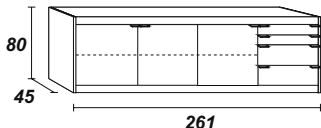

The L260 program can be combined with the L360 program. L260 modules can be placed between or next to L360 standing units. L260 modules with a continuous top can be placed next to and under L360 standing units.

For the "gloss" combination prices, all parts available in gloss lacquer have been priced accordingly. Ral / Sikkens colours and the matt lacquer finish are available on request.

Voor het boren van extra gaten t.b.v. het verstellen van planken wordt een meerprijs van 50 euro per staander gerekend.

Nous facturons un supplément de 50 euros par montant pour percer des trous supplémentaires permettant d'adapter les étagères.

Con un extra prezzo di Euro 50 è possibile effettuare fori aggiuntivi per maggior flessibilità di posizionamento ripiani.

Extra holes for more flexibility for shelving, can be drilled for an extra price of Euro 50 per standing unit.
