

## Mini Box

Designer Luciano Bertoncini

Ideal for the bathroom, Mini Box wall cabinet in aluminium are available in two versions: with a single door, which can be installed with a Rh or Lh opening, or with a double door. In both cases, the doors are equipped with external mirrors, with a frame in anodized aluminium or white lacquer, and removable internal shelves in water-resistant material. These are shaped to prevent objects from falling off them. The internal surface fastened to the wall also has a mirror finish.
