SMALL TABLES

Antonio Citterio

Description

A classic is born. It expresses Antonio Citterio's stable elegance. Different types of seat: chairs, armchairs and a chaise longue are included in the collection. The folding armchair revisits the classic shape of the director's chair, with exclusive details. All sizes of tables, small tables and consoles have the same frame and top in painted aluminium, in brushed natural Iroko slats or in Calacatta white porcelain stoneware.
