Description

Die moderne Eleganz von Michel nimmt bei Michel Effe strengere Züge an, während Michel Club durch klassische Akzente geprägt ist, die durch die Umproportionierung von Sitzkissen und Gestell bedingt sind. Dank dieses vielseitigen Produktangebots ist die Gestaltung vieler verschiedener Sofatypen und Anwendungen möglich, die von der formalen Verwendung bis hin zu geselligen Zwecken reichen. Gemeinsamer Nenner der drei Sitzsysteme ist die breite Auswahl an Elementen, die äußerst flexible Interpretationsmöglichkeiten für den Wohnbereich bieten: 34 lineare und modulare Elemente, sowie fünf Hockers. Alle Varianten sind mit zwei Tiefen (89 cm und 104 cm) erhältlich, sowie mit Gestell in den Ausführungen glanzpoliert, nickel bronzefarben lackiert, schwarz verchromt lackiert oder hartzinnfarben lackiert.
