TABLES

Antonio Citterio

Description

Table and console are classics today with their versatile features (wood or lacquered, as desired), the elegance of the rounded top and the strong profile of the base with its cross-shaped motif. They are the expression of refined aesthetics that combine well with other products.

Technical drawings

B&B Italia reserves the right to make technological and aesthetic improvements to its models, including changes to the sizes and materials, without notice. The technical drawings do not define the details of the product. The measurements shown are indicative and may undergo changes. In particular, the dimensions relevant to the padded parts are subject to usage tolerances over time caused by the normal adjustment of the padding. For the specific information, please contact the dealer closest to you.
